

<b>Available activities</b>	All types of activities for school education. For a detailed list and rules, see section 'Activities'.
<b>Project scope</b>	The number of participants that can be included in accredited projects is not limited, apart from any limitations defined at the budget allocation stage.

## BUDGET ALLOCATION

The quality of the applicant's Erasmus Plan has been assessed at the accreditation application stage and therefore no qualitative assessment will take place at budget allocation stage. Any eligible grant application will receive funding.

The awarded grant amount will depend on a number of elements:

- the total budget available for allocation to accredited applicants
- the requested activities (including the estimated budget required to implement them)
- the basic and maximum grant
- the following allocation criteria: applicant's performance, policy priorities, and geographical balance (if applied by the National Agency)

Detailed rules on basic and maximum grant, scoring of the allocation criteria, weighting of each criterion, the allocation method, and the budget available for accredited projects will be published by the National Agency ahead of the call deadline.
